## News Release

For Immediate Release: August 17, 2020

### **Water service restored to customers in Hanalei**

4 P.M. (Final Update) HANAIEI – Water service has been restored to Department of Water (DOW) customers in Hanalei as of approximately 3:30 p.m., this afternoon. DOW crews have completed emergency repairs to a distribution line and customers may resume normal water use.

DOW thanks customers in Hanalei for their patience and cooperation during the water service shutdown.
